

## HYDRO

### Color

white or grey

### Temperature range

-10° C - +60° C

### Tolerance External diameter

-0,0mm +0,1mm

### Features

Plasticized PVC hose with spiral reinforcement of anti-shock rigid PVC. Internal and external surface smooth.

### Applications

Whirlpools, swimming pools, domestic discharge.

Internal diameter [mm]	External diameter [mm]	Weight [g/m]	Bend radius [mm]	Working pressure [bar]	Destruction pressure [bar]	Vacuum [m/H2O]	Package [m]
